Exceptional physical therapists also at the PTC offices in Norman, Choctaw, Newcastle, and Pauls Valley

Dave's credentials and experience, along with his love of people and of his work, enable him to serve patients with kindness, respect, and expertise that are second to none:

- 28 years as an orthopaedic physical therapist.
- Eight years teaching orthopaedic physical therapy for the OUHSC Physical Therapy Program.
- Lecturer and clinical instructor for the OUHSC Primary Care Sports Medicine Program.

Dave was the first Oklahoma physical therapist to be both board certified in Orthopaedic Physical Therapy and fellowship trained in Orthopaedic Manual Physical Therapy.

Physical Therapy Central of OKC occupies the first floor of the Herriman Classic Building, a beautifully-restored 1924 historical landmark.

We are located at the southwest corner of 9th Street and North Robinson Avenue, one mile west of the OUHSC campus (map on other side).

Free parking along Robinson Avenue and in the lot at the west side of the building.

We accept all major insurance plans, including Aetna, Blue Cross/Blue Shield, Health Choice, Humana, Medicare, Tricare, and more than sixty others.

Ashley, who staffs our front desk with a warm smile and greeting for everyone, would be happy to help with your insurance or scheduling questions.

Our beautiful and comfortable facility is full of state-of-the-art rehabilitation equipment.

On the map below our location is marked by the arrowhead at the corner of North Robinson Avenue and 9th Street. Free parking along Robinson Avenue and in the lot at the west side of the building.

We would be delighted if you dropped by for a visit!
