

Dear Student Interns,

We look forward to you beginning your rotation with Physical Therapy Central. We pride ourselves in working with students from all over the country. PTC is dedicated to teaching and mentoring students in a positive and supportive environment. Please go to our web site at [www.ptcentral.org](http://www.ptcentral.org) to find out more information about our clinics and the therapists. You will also find the student intern manual under “programs” and “student interns.” Please print the manual, read it and bring it with you on your rotation.

The manual should answer any of your questions and if not feel free to give us a call or email.

We will see you at 8:00am for the start of your internship.

All the very best,
